**REQUEST FOR EXPRESSIONS OF INTEREST
(CONSULTING SERVICES)**

Arab Republic of Egypt

Establishment of CSIRC for Banking Sector

**Financing Agreement reference:
Project ID No.: P-EG-H00-002**

The Arab Republic of Egypt has received a grant from the African Development Bank toward the cost of the “Modernization of Central Bank of Egypt Central Securities Depository System (CSD) for Government Securities Project” and intends to apply part of the agreed amount for this grant to payments under the contract for “Consulting Services for the Establishment of Computing Security Incident Response Center (CSIRC) for Banking Sector”.

The services included under this assignment are to provide consultancy support for the establishment of the CSIRC. The initial plan is for the CSIRC to have four services, namely:

1. The Computer Security Incident Response Team (CSIRT);
2. Vulnerability Handling Team;
3. Digital Forensics Team; and
4. Penetration Testing Team.

The Central Bank of Egypt now invites eligible consultants firms to indicate their interest in providing these services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions (with minimum 5 years’ experience in similar Projects), availability of appropriate skills among staff, etc.). Consultants may constitute joint ventures to enhance their chances of qualification.

Eligibility criteria, establishment of the short-list and the selection procedure shall be in accordance with the African Development Bank’s “**Rules and Procedures for the use of Consultants**” May 2008 and revised June 2012, which is available on the Bank’s website at <http://www.afdb.org>.

Interested consultants may obtain further information by email(below) .

Expressions of interest must be delivered to the address below by 11/2/2018 at 12PM and mention “Establishment of CSIRC for Banking Sector”

Establishment of CSIRC for Banking Sector

1. PROJECT OBJECTIVES

The project objectives are to receive consultancy support for the establishment of the CSIRC that can submit a Consulting Proposal for the establishment of the CSIRC, in terms of:

1. Advising on the Operating model (Policies, Processes and Standard Operating Procedures) of a Multi-Tenant Security-as-a-Service Center.
2. Assisting the client in the requirement definition, technology selection and knowledge
3. Acquisition crucial for the successful establishment and operation of the CSIRC.
4. Project manage the CSIRC implementation and serve as a Change catalyst for the successful implementation
5. Adoption of the CSIRC services by their customers (Banks operating in Egypt).

NRD Cyber Security kelionė Sacharos dykumoje

EG FinCIRT komandų vizitai Lietuvoje

- Vadovų ir technologų-analitikų komandų vizitai
- Viso: 28 žmonės

Klausimai, kurie augina:

- Ar galima pasitikėti arabais dykumoje?
- Kaip būti pasirinktais tiekėjais?
- Ar sumokės pinigus?
- Ką daryti kai klientas nesilaiko kontraktinių susitarimų?
- Ar rinksis mus toliau ir kada?

Focus

Cybersecurity operations build-out, incident detection and handling, establishment and support of Computer Security Incident Response Teams (CSIRTs) and Security Operation Centres (SOCs), and cyber capacity enhancement for organisations, sectors, and nations.

Customers

Governments, public, and private sector organisations.
