ESET® PROTECT HUB

The central gateway to ESET's unified security platform, providing a single-pane-of-glass experience with centralized identity, subscription and user management.

Benefits

TIME

Streamline your business operations and save time

ESET PROTECT Hub allows you to monitor your customers' subscriptions and spot upselling opportunities, check their deployment status, see real-time utilization and much more. This means you can identify opportunities for them to improve their security posture and offer proactive services.

FLEXIBILITY

Align with customer needs

Whether the customer wants to manage their own security, allow you to have support access or give you full management capabilities, ESET PROTECT Hub allows all management scenarios.
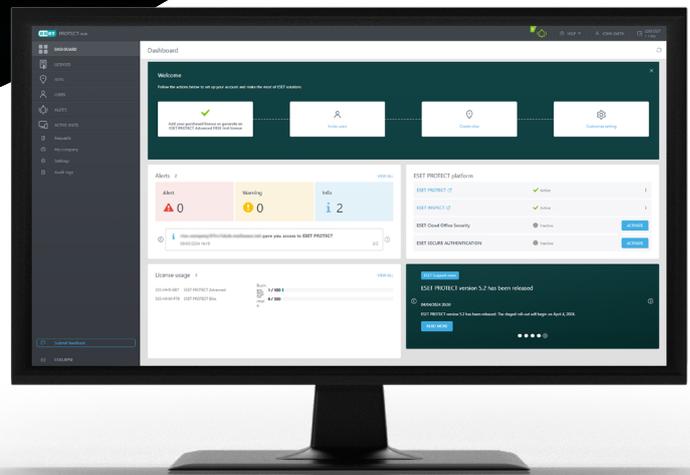

VISIBILITY

Complete visibility in one click

Drill down into all your customers' usage data, whether they are on an annual business, or MSP licensing model to see if they utilize the full potential of their subscriptions. If set up, access their consoles to provide 24/7 security services via the co-management feature.

INSTANT ACCESS

Single sign-on across the entire solution stack

One login, and simple navigation between all ESET-linked solutions, including Partner Portal. Streamline access and save time.

FULL MULTI-TENANCY

Set flexible user access policies

Manage all customers and their platform modules, select locations or even narrow it down to one customer/ one module. Tailor-made for your needs.

Progress. Protected.

DATASHEET

ESET PARTNER PROGRAM

ESET PARTNER PROGRAM offers you the opportunity to become a reseller, Managed Service Provider or both. Choose the best model for you and we'll support you on your journey.

EASE OF DOING BUSINESS

With ESET, you avoid channel conflicts on both new and renewal business with our deal registration program. Get self-service solutions and high-quality leads from ESET. Use our marketing support offering ready-made campaigns and materials.

Our billing model can vary from annual to daily, depending on your partnership model and the ESET volume price base gives you better margins the more seats you add.

Everything is done straightforwardly and easily with our self-service subscription management platform, giving you time to focus on your business.

LONG-LASTING COOPERATION

ESET boasts one of the highest renewal rates in the industry – up to 90% in some markets. Benefit from long-lasting relationships with strong local support at all stages. Use dedicated sales and technical support resources to help your business thrive.

PROVEN TECHNOLOGY

A single layer of defense is not enough in today's constantly evolving threat landscape. ESET LiveSense®, our multilayered security technology, powers the ESET PROTECT Platform.
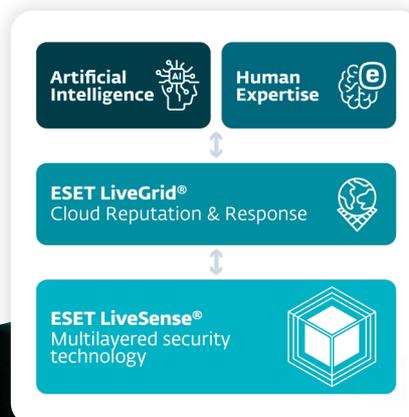

This works in combination with our AI expertise, cloud reputation system, and our people.

ESET was among the earliest adopters of cloud technology, which powers the ESET LiveGrid® global reputation system to constantly update threat intelligence.

Staying one step ahead requires a strong research arm. With over 600 professionals and 12 centers on four continents, ESET R&D provides future-proof technology to help protect your reputation. Keep your customers satisfied and loyal in the long term.

ESET INTEGRATIONS

If you're an MSP that works with an RMM or PSA, we've got you covered. At ESET, our focus is to bring you best-of-breed, in-depth integrations with top vendors like ConnectWise, Solarwinds, Datto, Kaseya and others. Check out our plugin page here.

This is ESET

Proactive defense. Minimize risks with prevention.

Stay one step ahead of known and emerging cyber threats with our AI-native, prevention-first approach. We combine the power of AI and human expertise to make protection easy and effective.

Experience best-in-class protection thanks to our in-house global cyber threat intelligence, compiled and examined for over 30 years, which drives our extensive R&D network led by industry-acclaimed researchers.

ESET PROTECT, our cloud-first XDR cybersecurity platform, combines next-gen prevention, detection, and proactive threat hunting capabilities with a broad variety of security services, including managed detection and response. Our highly customizable solutions include local support and have minimal impact on performance, identify and neutralize known and emerging threats before they can be executed, support business continuity, and reduce the cost of implementation and management.

ESET protects your business so you can unlock the full potential of technology.
